〈About new coronavirus countermeasures at KKE〉

KKE is actively implementing safety and health management activities to prevent infection with the new coronavirus.

- ① If you come to work, immediately wash your hands with soap, disinfect, we are implementing a gargle.
- ② We carry out temperature measurement before going to work.
- ③ I check my physical condition by looking at my complexion when I come to work.
- ④ Hand wash and gargle before and after breaks and lunch breaks.
- ⑤ We limit more business trips than necessary.
- ⑥ Refrain from in-house events and minimize the number of people at meetings.
- ⑦ Even if you cannot confirm the symptoms of a cold such as influenza, if you have a fever of 37.0 °C or higher, you should refrain from going to work and wait at home.

Or more, is a unique effort to not inconvenience to our customers.
We appreciate your understanding and cooperation.
